DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record including **Crum, Boulanger, Hellerich, and Born et al** fail to anticipate or suggest in combination all of the features as presented in independent claim which includes an upper support post, a lower support post, a friction sleeve, a ground stake tube, the upper support post being rigid and tubular and having a centrally located slit in a parallel disposition to the top of the upper support post, the lower support post being rigid and tubular and having a reduced connection portion at its top that slidably engages with the bottom of said upper support tube, the support stake being rigid and capable of being driven into the ground, the top of said support stake capable of slidably inserting into the bottom of said lower support tube, and said friction sleeve capable of frictionally sliding onto said upper support so that it can be adjusted to support the bottom lip of a standard camping lantern.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
